

**WHO IS
ALBERT
WOODFOX?**

Who is Albert Woodfox?

Albert Woodfox has spent the last 34 years in a 6'x 9' cell. This is solitary confinement in Angola Prison, Louisiana. Albert is one of the Angola 3, along with Herman Wallace and Robert King. These 3 men have survived immeasurable tragedies of injustice because of their political beliefs and ability to organize from behind bars. Despite having his conviction overturned by a Federal Judge this past year, Albert remains in solitary. The Attorney General of Louisiana is 'taking it personally' pursuing a vicious vendetta against Albert, wasting hundreds of thousands of tax payers dollars and time.

Who are Angola 3 Action?

Angola3Action.org is a grassroots effort designed to connect people, like yourself, who find the story of the Angola 3 appalling enough to inspire action. The objectives of Angola3Action.org are the release of every member of the Angola 3. We aim to empower everyone we contact to change the current climate of injustice and racial bias in the US prison system. We are creating a coalition of people

aimed towards overturning the conviction of every innocent person behind bars in the US.

Together we are implementing actions and awareness around the world. Angola3Action.org encourages you to tap in to a growing network of like-minded people who believe it is possible to change the system.

Angola's record of abuse is only one example of tragedy behind bars in the United States. As people living in the US we must hold our Governors, Attorney Generals, and prison officials accountable for sustained abuse, and finally put an end to the torture and inhumane treatment of prisoners nationwide.

After fierce legal battles and 29 years of solitary confinement for a crime he did not commit, Robert King walked out of Angola a free man in 2001. We understand from this success, that we can do it one prisoner at a time. Join us in demanding that Albert Woodfox and Herman Wallace be pardoned, and that Angola prison be reformed.

Who can change the system?

You can. Through direct action, active engagement in the issues and creative organizing, each and every one of us can implement change.

Please join Angola3Action.org as we align with other coalitions to directly address the history of corruption and racism in Louisiana.
