**40 YEARS OF SOLITARY CONFINEMENT
40 YEARS OF INNOCENCE**

Herman Wallace & Albert Woodfox have spent 40 years in solitary confinement for a crime they did not commit. Robert King was released after 29 years of wrongful incarceration in solitary confinement. Together they are known as The Angola 3.

The Angola 3 were framed for murders they did not commit in an effort to silence them as they fought to end inmate rape, sexual slavery and brutality in the nation's bloodiest penitentiary.
